Sales Ledger and Fees Administrator

APPOINTMENT BRIEF

April 2024

ABOUT ROSSALL SCHOOL

Founded in 1844, Rossall is a co-educational boarding and day school with an illustrious history and a clear strategic vision for the future. Situated on the Fylde Coast, the majestic backdrop of the Cumbrian Peaks and the Irish Sea provide a spectacular environment within which a community of some 800 boys and girls are inspired to fulfil their potential. The School provides a unique educational experience underpinned by a strong commitment to academic excellence and co-curricular participation. Successive generations of Rossallians have made a profound impact in fields as diverse as medicine, literature, music, politics and technology.

Academic results are superbly strong. The School has an IBDP average of 35 and on average 50% of A level grades have resulted in an A* or A over the last 3 years. Almost two thirds of our Upper Sixth progress to Top 20/Russell Group universities. Additionally, this year, three students won full sports scholarships to the US whilst others are proceeding to top universities in Paris, Milan and Hong Kong - to name but a few. Rossall is an inclusive school with an intellectually dynamic culture that encourages young people to embrace the highest of aspirations.

Regionally, Rossall has now reclaimed its place as one of the top performing independent schools in the North West. Perhaps, most importantly, it is a school community with a huge heart and this manifests itself in happy and confident children and a staff body committed to providing the very best context within which young people may live, learn and play.

The School is ranked number one in the UK for golf and our growing football academy is one of the standout provisions in the country. Both our boys and girls First XI hockey teams progressed to the final eight of national competitions in 2020. Our recently launched Girls' Elite Football Programme in partnership with England and Chelsea footballer Millie Bright, and Fleetwood Town Football Club has led to huge success of our girls' football teams on a national level.

We strive to develop in our pupils a lifelong love of learning, a sense of moral purpose, and a belief in their own power to do good in the world. We prepare them to lead successful personal lives and productive professional lives. Our students are confident and compassionate. Increasingly they assume responsibility for their own learning and they are encouraged to be both critically reflective and resilient. We have the highest aspirations for our boys and girls and, as an IB World School, we endeavour to ensure that our pupils are intellectual risk-takers, open-minded and persuasive communicators. We desire for them to develop an intrinsic interest in the subjects that they are studying and to view the formal curriculum as constituting a starting point as opposed to an end in itself. Opportunities for academic enrichment abound and pupils are able to benefit from involvement in activities such as the Model United Nations and subject specific societies.

The School is a liberal and progressive community and we are committed to ensuring that our provision is outstanding in every regard. Student voice and our mental health provision are key focuses within our development plan and it is our ambition to be sector leaders in this. We are an inclusive and diverse School community with a roughly even split between day pupils and those who board. The internationally-minded nature of the School is as defining an aspect as its architectural beauty and fascinating history. In 2021, we had a full ISI compliance inspection. **We were judged to be compliant in every regard. In 2019, an educational quality inspection deemed the quality of pupil's personal development to be excellent.**

The student roll has grown very significantly in recent years and this is reflective of the School's outstanding reputation both regionally and nationally. Student numbers are very healthy and the School has emerged from the recent pandemic in a strong position financially. Such extensive expansion has resulted in a number of

opportunities arising across a number of curricular areas and our ongoing development of signature programmes such the Broadway Performing Arts academy has opened up opportunities for exceptional educators to join us.

In 2019, the School embarked upon an ambitious development plan which placed a strong emphasis upon the provision of outstanding teaching and learning. The School is committed to ensuring that Rossall is recognised regionally and nationally as a progressive and aspirational School community committed to the professional development of all staff. The establishment of a thriving Leadership Academy is reflective of the growing number of aspirant educational practitioners who have decided to develop their careers here at Rossall.

We never stand still. In 2020, we became an All-Steinway School and launched an International Piano Academy. The newly refurbished PrePrep School was opened at the end of the Summer Term and work commenced on our Science Building. In 2021 we recruited the first cohort for our Elite Girls' Football programme and September 2022 saw the launch of the Broadway Academy of Performing Arts which harnesses the creative energy of an outstanding faculty committed to ensuring exciting opportunities, an outstanding quality of productions and a credible pathway into the industry for aspirant young performers.

We recognise that parents expect the best for their children; therefore we continue to invest significantly in our expansive campus to provide a modern, comfortable environment where boys and girls from 3 months to 19 years of age can feel safe and thrive.

Popular with overseas and British pupils alike, our school has a unique identity and a strong sense of community spirit. Here, boarders from around 50 countries mix with British pupils to create an environment within which children are able develop a truly international perspective and forge lifelong friendships with others from around the world.

Ours is a community based on trust, mutual respect and compassion, and we expect every member of our School to uphold these values, on and off the campus.

Rossall is an inspiring place to live, learn and work; we are fortunate to attract fantastic students and staff to join us on our beautiful campus by the sea!
