**FROM INDIVIDUAL ITEMS TO CASES, WE  
ARE PLEASED TO SUPPLY YOU QUALITY

We are gathered here this evening to celebrate the hundred and eightieth anniversary of our foundation. We are very fortunate to be members of a vibrant and friendly community that provides a real sense of belonging. The enduring character of Rossall is of immense comfort in a world that can sometimes feel as if it is moving too fast. We are custodians of the traditions, ethos and values of this School and it is our responsibility to do everything within our power to ensure that the school we love so well endures for many more generations to come.

The architectural splendour of our iconic buildings is a physical manifestation of our collegial nature and the ambitious mindsets of our founding fathers. We are incredibly grateful that the generosity of the Rossallian community has enabled us to begin phase one of the Future Heritage project. During the summer months, Big School will receive a new roof and plans for the restoration of the East Window of the Chapel are in progress. The Rossall Foundation has paid for the recent restoration of our magnificent Harrison and Harrison organ and we would have not have been able to build the sports hall without their extraordinary fundraising efforts. Safeguarding our architectural heritage for the future calls upon the resources of our entire community. At a time of economic and political uncertainty, it is not a responsibility which can fall solely upon the shoulders of our current parents.

Through global pandemics, world wars and wild winter storms, Rossall has demonstrated incredible levels of resilience. We look with pride upon the remarkable achievements of Rossallians and the global impact that they have had in fields as diverse as technology, philosophy, politics and medicine. We celebrate the love of learning that this place inspires. It is perhaps of little surprise that Sir Francis Graham Smith is still working at the age of 101 or that Dr William Frankland (1912-2020) gave his last interview to BBC Hardtalk at the age of 107. Perhaps the unforgiving climate promotes physical hardiness but it is the teaching that occurs within these walls that inspires intellectual engagement.

We all know what it means to be a Rossallian and what makes the Rossallian 'spirit' so special. We cannot define it in words for it sits well beyond the world of linguistic expression. The Rossallian spirit dwells within our souls and binds us to both this place and to one another.

Rossall is enjoying a period of fantastic success. We have a record breaking pupil roll, academic results are strong and our success on the sports field continues to make waves on the national stage. Anyone who attended the recent performance of 'Anything Goes' will recognise that our performing arts provision is flourishing superbly well. Our children are confident, creative, compassionate and determined to do good in their lives. We are immeasurably proud of them.

A hundred and eighty years is a significant length of time but we have so much more to achieve. As we celebrate our illustrious past, we look to the future with joy in our hearts and a sense of eager anticipation and excitement. Thank you so much to all those who have worked so hard to make this evening such a resounding success. I hope that you have a fabulous evening and if there are any sore heads in the morning then it will have been for the very best of reasons.

Floreat Rossallia!

# THE CARTFORD INN

Welcome to The Cartford Inn, an award-winning country inn, restaurant and boutique hotel, situated in an idyllic position on the banks of the River Wyre in the heart of rural Lancashire.

An Anglo-French fusion, our 2-Rosette winning restaurant stands at the core of the Cartford's charm. Since our opening, our culinary ethos has centred around a commitment to quality, innovation and local produce, our menus a showcase of the region's best produce.

Our hotel comprises 15 rooms - including two modernist stilted cabins - and blends eclecticism with luxury, showcasing local art, up-cycled materials, and other quirky furnishings.

# ROSSALL FOUNDATION

## THE ROSSALL SCHOOL FOUNDATION

---

The Heritage Project will safeguard our most iconic buildings for future generations of Rossallians. The project provides an opportunity to come together as a community to ensure we leave an enduring legacy, one that will serve to inspire our boys and girls to develop a life-long appreciation of the architectural beauty that we have the privilege of enjoying.

The Heritage Project will also ensure that the buildings are fit for purpose long into the future. Safeguarding the future of these buildings will cost well in excess of £1.5 million and this does not take into account the work that needs to be carried out in order to ensure that the Sumner Library becomes a modern study space within which children can work together collaboratively.

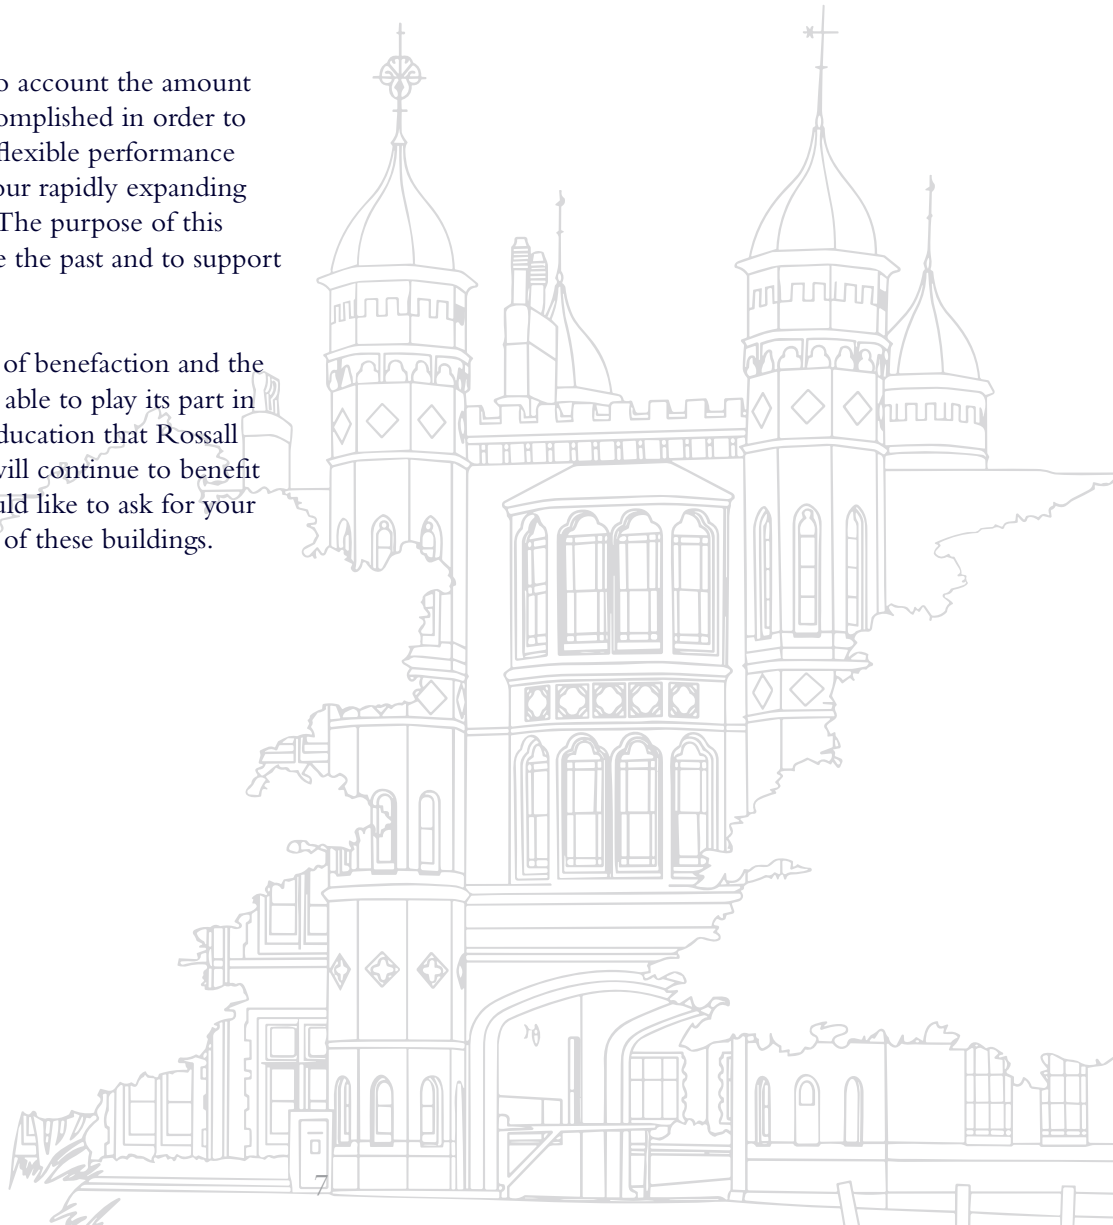

Similarly, it does not take into account the amount of work that needs to be accomplished in order to transform Big School into a flexible performance space capable of supporting our rapidly expanding performing arts programme. The purpose of this project is twofold: to preserve the past and to support the future

Rossall has a proud tradition of benefaction and the Rossall Foundation has been able to play its part in ensuring that the excellent education that Rossall has provided over the years will continue to benefit generations to come. We would like to ask for your help in preserving the future of these buildings.

# WELCOMING UKRAINIAN CHILDREN TO ROSSALL

Since the outbreak of war, we have welcomed Ukrainian children to Rossall from Kharkiv, Mariupol, Odessa and Kyiv. The youngest was just three whilst the oldest was seventeen. Some arrived with an excellent level of English whilst others require intensive support from our excellent EAL department. The generosity of the Rossall Foundation has enabled us to provide a number of fully funded places for children displaced by the conflict. Similarly, the fundraising activities of the Rossall Rose Society have provided additional support for children who have arrived with little more than the clothes that they were wearing on the day that they left.

Our Ukrainian children have settled into school life remarkably well. Their involvement in the cultural life of the school is very impressive. Life without them is hard to imagine and yet we all hope and pray for the day when they can return to their families and help build a positive future for their country. They are courageous, resilient and determined.

Additionally, we have become an important centre for Ukrainians living here on the Fylde coast. Our Ukrainian Hub provides vital services for Ukrainian refugees which includes fortnightly social gatherings and support and guidance with regards to housing, education and employment opportunities. Furthermore, we established a Ukrainian Saturday School for local Ukrainian children. We are incredibly grateful for the partnership funding provided by Lancashire County Council which helps ensure the long term sustainability of these various projects.

The future is uncertain but our commitment to our Ukrainian families is not time bound. The last word should go to Lower Sixth Former Anastasiia Bolkhovitina who joined Rossall from a school in Kyiv:

*“Being able to be a part of Rossall was life-changing for me. I was heartily welcomed and fully integrated into the school community with access to high-quality education without the necessity to think about air raid alerts and blackouts. I am really grateful for this opportunity to grow as an individual, which Ukrainians like me will always remember. My biggest aim of becoming a “life-changer” for others will be possible, because of Rossall.”*

## Ukrainian Community Hub

BASED AT ROSSALL SCHOOL

### Fylde Ukrainian Community School

**SATURDAY AFTERNOONS**  
2:30 PM - 4:30 PM  
PENNINE SUITE  
(ROSSALL SPORTS CENTRE)

The Ukrainian in the Fylde Community School (UFCS) has been established in order to ensure that children (ages 3-14) are able to continue accessing Ukrainian language and literacy classes. These weekly sessions will provide children with an opportunity to immerse themselves in Ukrainian culture and history. The emphasis will be very much upon learning, friendships and fun.

Members of the Ukrainian community will form these sessions. Rossall staff will be in attendance.

### Social Gatherings

**SUNDAY AFTERNOONS (FORTNIGHTLY)**  
2:30 PM - 4:30 PM  
HALL & GARDEN

Our very successful social gatherings will recommence on Sunday 8th May and will be hosted in the Hall and walled garden. Refreshments will be provided and there will be activities for children. These will then take place every other Sunday throughout the summer.

### English Language Classes

**MONDAY AFTERNOONS**  
4:30 PM - 5:30 PM  
**THURSDAY AFTERNOONS**  
3:30 PM - 5:00 PM  
PENNINE SUITE  
(ROSSALL SPORTS CENTRE)

Rossall's dedicated team of English as an Additional Language teachers are available on Monday afternoons to provide language classes. Complete beginners, intermediate and advanced speakers are all welcome.

### Ukrainian Advice Centre (for Ukrainians and host families)

**FRIDAY AFTERNOONS**  
2:30 PM - 4:00 PM  
PENNINE SUITE  
(ROSSALL SPORTS CENTRE)

Our teams will be on hand to provide guidance regarding all administrative matters associated with visas, employment, financial matters and the practical aspects of settling within the UK. Our Advice Centre will provide direct support and work with other local agencies.

### Occasional Trips

We will arrange trips to Manchester, Liverpool, the Lake District and specific events in the North West in response to requests from members of the community hubs.

Those attending events at School should sign in at the Reception Desk in the Sports Centre.

The Hub will also help host families seeking to source furniture, clothes and children's toys etc.

All income from fundraising initiatives will be spent on running the hub's various activities and providing emergency support for new arrivals unable to access government support.

Rossall is a warm and welcoming school to all who walk through the famous archway greeting pupils, parents and visitors alike. It is important to maintain friendships and acquaintances throughout the school year and beyond within such a large community. The Rossall Rose Society was formed in 2022 out of a desire by parents and friends to support worthwhile causes and charities both locally and internationally. The society has continued to grow and develop into a well organised committee of parents and supporters, underpinned by parents willing to take the mantle of Year Group Ambassadors disseminating information to keep parents fully informed of forthcoming events across the school calendar.

After only two years the Rossall Rose Christmas Market has gained an amazing reputation, expanding twofold to cater for over 80 stalls spread across the Square, Big School and Gym whilst attracting a footfall of over 4000 visitors from across the county. Together with the Midsummer Ball, Race Night, the 180th Anniversary Ball and many other events, we aim to welcome people into the Rossall community through friendship and support our local community through raising money for worthy charities.

The Rossall Rose Society recognises the desire of Rossallian families to become active members of a community that extends beyond school life through a variety of different avenues and for many would wish to remain connected for a lifetime. The Rossall Rose Society will always extend such an invitation.

**Rossall was one of the most amazing times of my life**  
with all the kind and interesting people I've met, all the unexpected experiences, the many friends and inspiration I've found there. I'm very grateful for all this and I value everything I've learnt, both inside and outside of the classroom, very much.

The time at Rossall has changed me, I think, and hopefully into the direction of being a 'better human being' that Mr Crombie always talks about.

# ROSSALLIAN CLUB

## DELIGHTED TO BE SUPPORTING THE 180TH ANNIVERSARY CELEBRATIONS

The Rossallian Club is absolutely delighted to be supporting the 180th anniversary celebrations!

Whilst not quite as old as the school itself (being founded fifty years later in 1894), the Rossallian Club has been around for a long time and provides the graduates of the school with a fabulous support and social network in the form of the School Alumni. When students leave Rossall, they automatically become lifetime members of The Club which offers the perfect channel for them to keep in touch. We run a number of events each year, providing a variety of ways to network with Old Rossallians. In recent years we have expanded our events to cover various international locations, starting with the Germany dinner in 2006 and including meet ups as far away as Hong Kong.

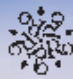

We keep in regular contact with our Alumni and are always happy to hear about their memories of Rossall and the amazing experiences that they had here.

The Club boasts a wide variety of famous Rossallians including Sir Thomas Beecham, Leslie Charteris, J. G. Farrell, Peter Winterbottom and even Dan Dare to name but a few! We are always happy to welcome supporters of Rossall.
